LEARN, DISCUSS, AND RELAX WITH YOUR COLLEAGUES!
The 13th Annual Ponte Vedra Cardiovascular Symposium is presented by the North Florida Cardiovascular Education Foundation (a Florida 501-c3 Non-Profit Medical Education Foundation) for the principal purpose of providing the highest quality of evidence based scientific information in Clinical Cardiology. The 13th Annual Symposium will maintain the highest standards established by our twelve previous symposiums and will offer the highest quality professional education that is immediately applicable to improve patient care in a form that promotes active interaction between the attendee and the expert faculty in a CME environment that is free of commercial bias.

Our Symposium makes frequent use of case presentations. All presenters will integrate the latest guidelines and most recent clinical trial data within their presentation. Areas of controversies and divergent opinions will be highlighted during the panel discussions. We are especially proud that the Florida Chapter of the American College of Cardiology will be partnering with us in co-sponsorship of our 13th Annual Symposium, and that our program is endorsed by the American College of Cardiology. Dr. Mary Minnow Walsh, President-Elect of the American College of Cardiology, will be the featured speaker.

LEARNING OBJECTIVES
By completion of the 13th Annual Ponte Vedra Cardiovascular Symposium, attendees should be able to:

1. REVIEW THE ROLE OF GENETICS AND LIFESTYLE in development and progression of cardiovascular disease. Demonstrate an increased understanding of the important role of genetics and lifestyle in cardiac disease prevention.

2. REVIEW NEWER RESEARCH in the importance of lipid components including high density lipoprotein (HDL) and low density lipoprotein (LDL) in the development of cardiovascular disease. Develop a conceptual understanding of how to use HDL in cardiac disease risk stratification and treatment. Understand the indications and uses of PCSK9 inhibitors in cardiology practice.

3. REVIEW EMERGING PERCUTANEOUS PROCEDURES for treating aortic valve disease, mitral valve disease and left atrial appendage occlusion. Develop an understanding of indications, strengths and limitations of such procedures. Review the effects of aging on the cardiovascular system. Understand potential modifiable and non-modifiable aspects of cardiac aging.

4. REVIEW CURRENT STATE OF THE ART THERAPY with left ventricular assist devices (LVADs) as destination cardiac replacement therapy. Understand the indications, outcomes and complications of contemporary LVAD therapy. Review the cardiovascular manifestations of cancer and chemotherapy. Develop an approach to preventing and treating cardiac disease in the setting of malignancy.

Who Should Attend?
- Clinical Cardiologists
- Interventional Cardiologists
- Electrophysiologists
- Cardiovascular Surgeons
- Internists
- Primary Care Specialists with interest in cardiovascular disease
- Cardiovascular Healthcare Associates (ARNP, RN, PA’s, Technicians)

PHYSICIANS ARE INVITED TO REGISTER ONE OFFICE PHYSICIAN ASSISTANT OR NURSE PRACTITIONER AT NO CHARGE WHEN REGISTERING.
CONFERENCE LOCATION
The Symposium will be held at the Marriott Sawgrass Hotel and Convention Center in Ponte Vedra Beach, Florida.

Discover the Sawgrass Marriott Hotel and Convention Center, where exclusive access to the celebrated THE PLAYERS Stadium Course at TPC Sawgrass is but one facet of this emerald gem. Showcasing a breathtaking natural setting where brilliant sunshine warms a gleaming beach and moss-draped oaks and magnolias frame impossibly blue lagoons this Florida resort hotel is the quintessential retreat.

Located adjacent to the hotel is the TPC Sawgrass Complex, home of the National Headquarters of the PGA Tour and the renowned TPC Stadium Course and TPC Valley Course, both annual venues for PGA Tour events. The Tournament Players Championship (TPC) will be played from Tuesday, May 10 through Sunday, May 15 at our conference location. Golf enthusiasts might want to stay and enjoy this famous PGA Tournament.

In addition to golf, Ponte Vedra Beach offers the best of pristine North Florida including excellent tennis facilities, an outstanding new Spa at the Marriott Sawgrass and miles of beautiful, uncrowded beaches. Historic St. Augustine Beach is only a few miles south of the Marriott Hotel and offers a wide array of activities and beautiful beach access.

CME CREDITS
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Memorial Hospital Jacksonville and the North Florida Cardiovascular Education Foundation. Memorial Hospital is accredited by the Florida Medical Association to provide continuing medical education. AMA PRA Category 1 Credits™ and Nursing CEU credits are pending. Attendees should claim credit commensurate only with the extent of their participation in the activity.

2016 INDUSTRY COLLEAGUES
The North Florida Cardiovascular Education Foundation is funded in part by unrestricted education grants from various local area hospitals and supportive industry-related companies.

We are especially grateful to Baptist Medical Center, Flagler Hospital, Mayo Clinic, Memorial Hospital Jacksonville, Orange Park Medical Center, and St. Vincent’s Medical Center. Our local hospitals have been strong contributors to our efforts over the past twelve years, and we truly are indebted to them for their unfailing support.

We also acknowledge with gratitude the many fine companies who provide unrestricted grants so that we may carry on the work of providing exceptional cardiovascular Continuing Medical Education to our community. A complete list of commercial support and contributors will be published in our 2016 Syllabus.

Additionally, we appreciate the many outstanding companies who have partnered with us by Exhibiting at our Symposium Event. They also are a critical part of the success of our Symposium program. Those companies desiring to participate in our Exhibitor Program during the May 7, 2016 Symposium should contact Dr. Pamela Rama at PRama@jaxheart.com or Joan Buback at 727-512-9864 or by e-mail at jbpvcv@yahoo.com.

Faculty Disclosures: All Faculty participating in continuing medical education activities sponsored by Memorial Hospital are required to disclose to the audience whether or not they do or do not have any real or apparent conflict(s) of interest or other relationships to the content of their presentation.
