APRIL 29, 2017 • MARRIOTT SAWGRASS HOTEL • PONTE VEDRA BEACH, FLORIDA

Ponte Vedra Cardiovascular Symposium 14th Annual

The 14th Annual Ponte Vedra Cardiovascular Symposium is presented by the North Florida Cardiovascular Education Foundation (a Florida 501-c3 Non-Profit Medical Education Foundation) for the principal purpose of providing the highest quality of evidence based scientific information in Clinical Cardiology. The 14th Annual Symposium will maintain the same standards of excellence established by our thirteen previous symposiums. Presentations are done in a format that promotes active interaction between the attendee and the expert faculty in a CME environment that is free of commercial bias.

All presentations will integrate the latest guidelines and most recent clinical trial data within their presentation. Areas of controversies and divergent opinions will be highlighted.

This year's program has been altered to allow for additional time with our renowned faculty presenters. We are incorporating a one-hour special session in the AM and PM that will afford you the opportunity to meet with the speaker of your choice in the morning and afternoon sessions for review of selected case studies and a more in-depth question and answer period. Please review our agenda on page 4 for further information.

LEARNING OBJECTIVES

By completion of the 14th Annual Ponte Vedra Cardiovascular Symposium, attendees will become more proficient in the following areas:

- 1 PREVENTION OF CARDIOVASCULAR DISEASE THROUGH LIFESTYLE CHOICES.** Review the role of healthy lifestyle in development and progression of cardiovascular disease. Demonstrate an increased understanding of the important role of lifestyle in cardiac disease prevention.
- 2 CLINICAL EXAMINATION IN HEART FAILURE - STILL RELEVANT IN 2017?** Review the importance of the clinical exam as it offers valuable insights into the status of a congestive heart failure patient.
- 3 2017 CARDIOVASCULAR DISEASE UPDATE - NEW THERAPIES: WHAT WE NEED TO KNOW (CAN WE AFFORD THEM? CAN WE AFFORD TO IGNORE THEM?)** Review of recent changes in guidelines for prevention of heart disease.
- 4 NEW INNOVATIONS & MANAGEMENT OF CAD.** Review the most recent clinical data and approaches to managing complex coronary artery disease patients - with emphasis on the indications, outcomes and complications.
- 5 21ST CENTURY VALVE TREATMENT - NO AGE LIMIT?** Review current state of the art therapy for Valvular heart disease. Impart understanding of latest options and data supporting their use. Identify patients in clinical practice who could have symptom relief or mortality improvements through various methods of valve replacement and repair.
- 6 CAN WE END SUDDEN DEATH?** Review current state of the art therapy with ICDs with emphasis on the indication outcomes and complications.

Who Should Attend?

- Clinical Cardiologists
- Interventional Cardiologists
- Electrophysiologists
- Cardiovascular Surgeons
- Internists
- Primary Care Specialists with interest in cardiovascular disease
- Cardiovascular Healthcare Associates (ARNP, RN, PA's, Technicians, PharmD)

PHYSICIANS ARE INVITED TO REGISTER ONE OFFICE PHYSICIAN ASSISTANT OR NURSE PRACTITIONER AT NO CHARGE WHEN REGISTERING.

LEARN, DISCUSS, RELAX and with your colleagues!

CONFERENCE LOCATION

For the 14th Consecutive year, our Symposium will be held at the Marriott Sawgrass Hotel and Convention Center in Ponte Vedra Beach, Florida.

Discover the Sawgrass Marriott Hotel and Convention Center, where exclusive access to the celebrated THE PLAYERS Stadium Course at TPC Sawgrass is but one facet of this emerald gem. Showcasing a breathtaking natural setting where brilliant sunshine warms a gleaming beach and moss-draped oaks and magnolias frame impossibly blue lagoons, this Florida resort hotel is the quintessential retreat. It is a perfect environment to mingle with your colleagues, exchange ideas, and get the latest information on topics so critical to your practice and your patients.

Located adjacent to the hotel is the TPC Sawgrass Complex, home of the National Headquarters of the PGA Tour and the renowned TPC Stadium Course and TPC Valley Course, both annual venues for PGA Tour events.

In addition to golf, Ponte Vedra Beach offers the best of pristine North Florida including excellent tennis facilities, an outstanding new Spa at the Marriott Sawgrass and miles of beautiful, uncrowded beaches. Historic St. Augustine Beach is only a few miles south of the Marriott Hotel and offers a wide array of activities and beautiful beach access.

CME CREDITS

This activity is being planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Memorial Hospital Jacksonville and the North Florida Cardiovascular Education Foundation. Memorial Hospital is accredited by the Florida Medical Association to provide continuing medical education for physicians. AMA PRA Category 1 Credits™ and Nursing CEU credits are pending. Attendees should claim credit commensurate only with the extent of their participation in the activity.

Faculty Disclosures: All Faculty participating in continuing medical education activities sponsored by Memorial Hospital are required to disclose to the audience whether or not they do or do not have any real or apparent conflict(s) of interest or other relationships to the content of their presentation.

2017 INDUSTRY COLLEAGUES

The North Florida Cardiovascular Education Foundation is funded in part by unrestricted education grants from various local area hospitals and supportive industry-related companies.

We are especially grateful to Baptist Medical Center, Flagler Hospital, Mayo Clinic, Memorial Hospital Jacksonville, and St. Vincent's Medical Center. Our local hospitals have been strong contributors to our efforts over the past ten years, and we truly are indebted to them for their unfailing support.

We also acknowledge with gratitude the many fine companies who provide unrestricted grants so that we may carry on the work of providing exceptional cardiovascular Continuing Medical Education to our community. A complete list of commercial support and contributors will be published in our 2017 Syllabus.

Additionally, we appreciate the many outstanding companies who have partnered with us by Exhibiting at our Symposium Event. They also are a critical part of the success of our Symposium program. Those companies desiring to participate in our Exhibitor Program during the April 29, 2017 Symposium should contact Dr. Praveen Kanaparti at kpkparti@aol.com or Joan Buback at 727-512-9864 or by e-mail at jbpvcv@yahoo.com
